### **Workers' Compensation Trust Awards \$2,099 to The Arc Eastern Connecticut**

The Arc Eastern Connecticut has been selected as one of 116 non-profit agencies to be awarded a statewide Safety Grant from The Worker's Compensation Trust.

The \$2,099 grant will allow The Arc to purchase a hydraulic Hoyer lift for its Day program in Danielson, greatly reducing the risk of injury to both program staff and participants with intellectual and developmental disabilities.

The Workers' Compensation Trust distributed a pool of \$450,000 in grant funds to various organizations to help provide safer working environments for everyone.

For more information about The Arc and its programs throughout the region, please contact Denise Tift at (860) 889-4435 x 116.
